

Dear Northfields Morris,

Thank you so much for giving up your time to dance and play for us at the Drayton Court fundraising Barn Dance on Friday. It was a great treat for everyone and it was fantastic that you got everyone else involved, no one held back!

You helped raise over £800 for the National Autistic Society, the leading UK charity for people with autism (including Asperger syndrome) and their families. NAS provide information, support and pioneering services, and campaign for a better world for people with autism. Their work relies on our support so the fundraising efforts will be greatly received.

Thank you!
Eleanor x
